SIGN ME UP!

ONLY for teacher usage (no student accounts due to PII)
Use @lpsb.org email address when signing up

Visit canva.com/education and sign up for teachers.
You will need to be verified as a teacher by Canva. Documentation options for verification:
1. photo or scan of teaching certificate (can search for and access this through bit.ly/32ReUTq)
2. photo or scan of school ID indicating your teaching status

See more at canva.com/education/eligibility-guidelines/

What tools can my students use to record audio?

- **Vocaroo** – Record and share audio directly from the website or download them for use elsewhere, no login required
- **Flipgrid** – Record audio-only responses
- **AudioVoiceRecorder.com** – Quickly record from any browser and download your audio as an mp3 file, no login required
- **Padlet** – Record audio files that are up to 15 minutes and post them to your wall

LEARN IT BY ART– Get Classroom Inspiration with FREE STEAM Lesson Plans!

Each learning plan outlines the recommended grade level, STEM education content areas, learning objectives & applicable core standards.

School Spotlight: Walker Junior High

Students used their knowledge of sound waves to create their own instruments with everyday materials.
