*Does the behavior of the children in your life ever baffle you?
Would you like to empower these children to experience
greater success at home as well as in the classroom? Would
you like to learn what truly motivates them? If you want to
be surrounded by happier, more productive children, enjoy
healthier relationships and be a more effective parent or
teacher, you don't want to miss this humorous, high content,
change your life presentation!*

By attending this FREE parent academy, you will learn:

- *The primary ways children, as well as others in your life, receive and convey respect and appreciation*
- *Actions that cultivate strong, productive and lasting relationships*
 - *How to improve relationships*
 - *How to decrease relational friction and frustration*

Space is limited! REGISTRATION is REQUIRED.
